Forecast For Tayside, Central & Fife
Issued by Met Office Aberdeen
at 0400 on Monday 08 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy in the west, brighter in the east.

Today:
Overnight rain clears the east coast around dawn. Then a mostly dry day. Rather cloudy with a few spots of light rain across western Fife and Tayside. Brighter with sunny spells further east. Maximum temperature 11 deg C (52 deg F).

Tonight:
Clear spells at first across Angus and Perthshire, but cloud increases after dark with some patchy light rain or drizzle at times overnight. Minimum temperature 4 deg C (39 deg F).

Tuesday:
Cloudy with patchy light rain or drizzle at times. Light southwest winds will strengthen in the afternoon. Strong southerly winds and rain overnight. Maximum temperature 9 deg C (48 deg F).

Outlook for Wednesday to Friday:
Mostly dry and bright on Wednesday, but patchy rain at times in the west. Turning colder with showers Thursday and Friday, wintery on high ground. Breezy throughout.
